**HEY THERE, FUTURE TIGER.** This is the moment you've been waiting for. In your paws you hold the booklet that will guide you through your New Student Registration and Orientation form (we call it the NSRO, pronounced "niz-row"), which you'll complete online.

By taking the initiative here, you'll launch an exciting and fulfilling college career at Mizzou. Be sure to read through each section of this guide and complete the application yourself. That way your application will correctly reflect your choices. Your future begins now!

## THIS BROCHURE HELPS YOU:

- Reserve your spot at Summer Welcome (Mizzou's orientation, advisement and registration program for new students);
- Indicate preferences for some of your fall classes;
- Express interest for university activities such as Marching Mizzou, the Chancellor's Leadership Class and Greek Life.

## A FEW TIPS FOR USING THIS GUIDE:

Share this information with your parents or guardians, and seek their advice, especially as it pertains to requesting Summer Welcome session dates. Then you'll be ready to complete your online NSRO form at [newstudent.missouri.edu](http://newstudent.missouri.edu) and make choices that meet your needs and interests as you embark on your college career. Don't wait; the priority deadline is March 24.

- ▶ Complete your NSRO form online at [newstudent.missouri.edu](http://newstudent.missouri.edu).

## NSRO CHECKLIST

- 1. READ THIS GUIDE.**  
It will save you time by providing the information you'll need when completing the online NSRO form.
- 2. CHECK OUT SUMMER WELCOME DATES.**  
Consult with your parents about which dates work best for you and your family (Page 4).
- 3. COMPLETE YOUR NSRO FORM ONLINE.**  
The information you provide will affect your experiences during your first year at Mizzou.
- 4. FILL OUT YOUR HOUSING APPLICATION.**  
Go to [reslife.missouri.edu/incoming](http://reslife.missouri.edu/incoming).
- 5. TAKE THE MATH PLACEMENT EXAM.**  
Visit [mathplacement.missouri.edu](http://mathplacement.missouri.edu) for information about the online MyMathTest (MMT) Math Placement Exam (Page 11).

## PSST...HEY PARENTS!

Feel free to offer your advice and wisdom, **but encourage your student to take charge in completing the online NSRO form.** Emphasize the importance of meeting key deadlines, and help select Summer Welcome session dates. Summer Welcome includes programs specifically designed for you, too.

If you already have a student at Mizzou, you're still invited to attend Summer Welcome, as some university policies might change each year. However, if you aren't able to attend, we hope you'll encourage your student to maximize his or her time at Summer Welcome. The Mizzou experience is different for every student, even those who have siblings already here.

## OFFICE OF PARENT RELATIONS

College is the time for students to become self-sufficient adults — and for parents to become enthusiastic coaches. The Office of Parent Relations exists to keep you connected. In addition to answering your questions, the office hosts events, plans programs and provides resources and services just for Mizzou families.

[mizzoupayers.missouri.edu](http://mizzoupayers.missouri.edu).

## NAME CHANGE POLICY

Students may use preferred first and middle names at Mizzou. Preferred first and middle names are used on class rosters, ID cards, transcripts and diplomas and other locations where the legal name is not required. The policy outlining the use of the name may be found at [registrar.missouri.edu/forms](http://registrar.missouri.edu/forms).

The path to update a preferred name in myZou is: **Student Center > Personal Information > Names > Add a New Name.**

NOTE: The Human Resource computing system overrides ID card names. If students who are employed by MU wish to have a preferred name on ID cards, they need to contact their department MU HR officer. Students who have questions may contact the University Registrar.

# THE SUMMER WELCOME EXPERIENCE

**THINK YOU'RE EXCITED ABOUT MIZZOU NOW?** Just wait until Summer Welcome — Mizzou's advising, registration and orientation program. We can't wait to show you around our place.

You'll meet individually with an academic adviser from your intended major and complete your fall 2017 course schedule. In addition, you'll have a chance to meet new and returning students and to interact with faculty and staff. It's also an opportunity for your parents and family members to explore what will soon be your home away from home.

Mizzou offers 20 Summer Welcome sessions. The sessions are identical and will give you an early look at the people, services and events that make Mizzou a dynamic learning environment.

## SUMMER WELCOME AT A GLANCE

### FIRST-YEAR STUDENTS

During your two-day Summer Welcome experience, you'll be matched with a Summer Welcome leader, your host during your campus visit. Summer Welcome leaders are current Mizzou students who will offer support, guidance and advice from the perspective of a college student.

### PARENTS AND GUESTS

At Mizzou, we recognize that families are in transition when students journey to college. Orientation to university life is important to help parents and other family members understand and support their new students. In an effort to provide parents and guests with

specific information about the university and the campus resources available to new students, a specially tailored parent program will be provided for your parents and guests who attend Summer Welcome.

### RESERVE YOUR SPOT

Each session can accommodate a limited number of people, so your immediate response is necessary to reserve your spot. If you have not paid the required \$300 enrollment fee, you must submit it with your completed NSRO form (see instructions on Page 8). Accommodations and assistance are available for people with disabilities. Please notify the Summer Welcome office of any needs.

## FEES FOR SUMMER WELCOME

### STUDENTS

#### PARTICIPATION FEE

The \$300 enrollment fee — which you might have paid earlier, or which you may pay as part of the NSRO process — provides for materials, four meals, refreshments, social activities and the services of the Summer Welcome leaders during your two-day Summer Welcome orientation, plus a five-day Fall Welcome program that begins Aug. 16.

#### HOUSING DURING SUMMER WELCOME

Summer Welcome housing is provided for all students in an air-conditioned campus residence hall for \$25 per night. If you are traveling a long distance, extra nights of housing are available. The overnight stay during this two-day program provides students with a chance to meet other students after the day's official activities have ended.

During Summer Welcome, you will share a room with another first-year student who will be living in the same residence area as you. If your actual roommate for the fall happens to be attending the same session, you will share a room during your Summer Welcome visit. You may also request a roommate attending the same session by completing the appropriate box on the online reservation form.

In addition to meeting other new students with whom you will be living once school starts, you also will meet Summer Welcome leaders staying on your floor. This will give you further opportunities to ask questions about the campus in the informal setting of the residence hall.

Past Summer Welcome participants have reported their overnight stay to be one of the most important and memorable experiences during their visit.

## SUMMER WELCOME CONFIRMATION/CANCELLATION

Once your NSRO form has been processed, we will email your confirmation. The email contains important information regarding the Summer Welcome program, including what you need to bring, how family members can make hotel reservations, where to park on campus and other details about visiting Columbia.

Summer Welcome cancellations must be received at least three business days before the check-in time of your scheduled session to qualify for a refund. All refunds will be issued after July 31 in the student's name.

Your \$300 enrollment fee is fully refundable upon request until May 1. To cancel your admission to Mizzou and receive a refund, visit [cancel.missouri.edu](http://cancel.missouri.edu).

### PARENTS AND GUESTS

#### ORIENTATION FEE

Every parent and guest age 18 and older must pay a \$23 orientation fee. This fee covers breakfast when you arrive on Day One, social activities and all orientation publications. Due to capacity limitations, we encourage students to limit guests to two people. If family circumstances require more than two guests, please contact the Office of New Student Programs at 573-884-9868.

#### MEALS

The orientation fee does not include meals or campus housing. Parents and guests may purchase, in advance, a \$31 four-meal plan to eat with their student throughout Summer Welcome. Parents and guests may also purchase individual meals upon arrival.

#### HOUSING

Mizzou has a limited number of parent and guest rooms (two beds per room). On a first-requested, first-served basis, these rooms will be assigned to parents and guests at the rate of \$30 per person. They are suite-style with a bathroom shared by up to four guests.

Parents and guests attending alone will be assigned a roommate of the same sex. When all rooms have been filled, we will notify parents and guests in the Summer Welcome confirmation letter.

### CHECK IT OUT!

For only \$12 you can order your first Mizzou shirt online at [newstudent.missouri.edu](http://newstudent.missouri.edu). You will receive your 100 percent cotton shirt(s) during your Summer Welcome visit.

# MORE OPTIONS FOR YOUR SUMMER WELCOME VISIT

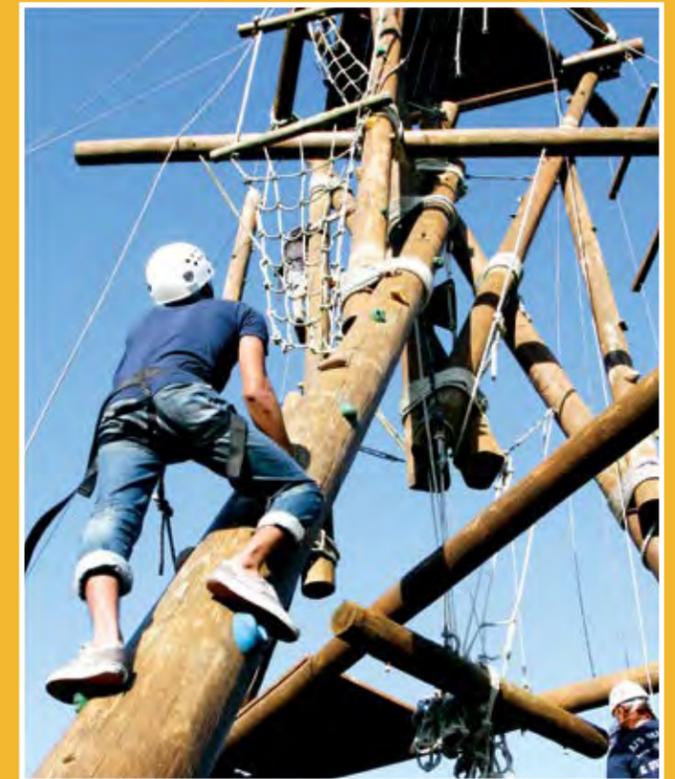

## INTERFRATERNITY COUNCIL (IFC) FORMAL RECRUITMENT, JUNE 23-25

Fraternities are among the best ways to shrink a large campus like Mizzou by providing brotherhood, networking, service, academic support and social events. Participation in formal recruitment will give you the opportunity to meet men from each of the 31 IFC fraternities. Formal recruitment is a three-day, mutual-selection process in which male students will have the opportunity to meet with chapter members, ask questions and meet other prospective members interested in Greek Life.

If you are interested in attending IFC Formal Recruitment, Summer Welcome **Sessions 12, 13 and 15** are recommended, especially for out-of-state students looking to minimize travel expenses (you may not attend session 14). If you are unable to attend one of these sessions, you will still be able to sign up and participate in formal recruitment.

Register for formal recruitment at [greeklife.missouri.edu](http://greeklife.missouri.edu). Formal recruitment costs \$175, which includes meals and lodging (only during the formal recruitment program). This additional fee is payable directly to Greek Life online.

If you have any questions, contact the Office of Greek Life at 573-882-8291 or [umcgreeklife@missouri.edu](mailto:umcgreeklife@missouri.edu). If you would like your Summer Welcome session to be scheduled in conjunction with formal recruitment, notify the Summer Welcome office at 573-884-9868, or email [SummerWelcome@missouri.edu](mailto:SummerWelcome@missouri.edu).

## VENTURE OUT

On Day Two of Summer Welcome, students have the opportunity to participate in a high ropes program called Tiger Climb. The event is hosted by Venture Out, an outdoor team building facility on the MU campus. Students will climb the Alpine Tower, a 60-foot tower designed for new and experienced climbers. Tiger Climb is an open-house style event offered from 1-4 PM at sessions 2, 7, 12 and 17. Interested students should indicate which session they wish to attend on the online NSRO form and complete the Tiger Climb section. Space is limited, and a \$20 fee is required. If you will be staying in the residence hall an additional night, please indicate it on the NSRO form.

*"Summer Welcome is a lot of fun. My leader was cool. He led some icebreaker challenges, and we got to meet a lot of people. We also got a professor's perspective, which was interesting. I learned to engage advisers and professors and to ask for help."*

# GET INVOLVED

**IN ADDITION TO AN OUTSTANDING ACADEMIC EXPERIENCE**, Mizzou offers more than 750 fun and rewarding student organizations that address academic, athletic, cultural, professional, community service and religious interests.

Here's a sample of the involvement opportunities awaiting when you arrive this fall:

- Student government
- Undergraduate research
- Community service
- Peer-education teams
- Greek organizations
- Student media
- Club Sports and Rec Sports (intramurals)
- Religious organizations

Additional information about involvement opportunities and leadership development programs at Mizzou will be available at Summer Welcome. The following are exciting opportunities for involvement that you must consider now because **application deadlines are quickly approaching**.

### CHANCELLOR'S LEADERSHIP CLASS (CLC)

CLC offers students the opportunity to develop and practice the skills, values and knowledge of effective leadership. Students selected for the class typically have a variety of leadership and life experiences, though previous leadership experience is not required.

CLC is a yearlong commitment, and students who are selected will be enrolled in a one-credit class during the fall and spring semesters. Students work on projects, write reflective journals, hear presenters from a variety of backgrounds and often go on to serve in various leadership roles on campus and after graduation.

To apply for the Chancellor's Leadership Class, complete an application at [leadership.missouri.edu](http://leadership.missouri.edu). All application materials should be submitted by Saturday, April 29. For more information, contact the Center for Leadership and Service at 573-882-8585 or [leadership@missouri.edu](mailto:leadership@missouri.edu).

### ACADEMIC RETENTION SERVICES (ARS)

ARS promotes student success and enhances the Mizzou experience. ARS is primarily for underrepresented ethnic students, although any currently enrolled student can participate. Through our support services and programs, students will be connected to campus resources that facilitate academic and personal development. As a home away from home, ARS fosters personal bonds with students that provide continuous support from the time of their acceptance until graduation.

### THE MAP PROGRAM (A PROGRAM WITHIN ARS)

The ARS MAP Program guides students through the undergraduate experience and helps them navigate MU's campus. If you have been invited, or if you are eligible to participate, you will automatically receive more information about the program around the time you review this guide. All students receiving the Transition, Diversity, Brooks or Suggs awards must complete their contracts and return them to Student Financial Aid prior to the beginning of the fall semester. Students must also attend the MAP Orientation Friday, Aug. 18, 2017. For more information, please contact our office at 573-882-9208, visit us in 110 Student Success Center, or complete the online NSRO form.

## GREEK LIFE

Greek Life at Mizzou provides an opportunity to enhance your college experience. The university's Greek community, founded in 1869, provides opportunities for members to develop leadership skills, participate in service-learning activities, enhance scholastic success and find a welcoming community to call home. Approximately one in five undergraduates belongs to a Greek chapter on campus.

Each chapter belongs to one of three self-governing councils: Interfraternity Council (IFC), National Pan-Hellenic Council (NPHC) and Panhellenic Association (PHA). Membership processes for the Greek councils are slightly different. Men and women who are interested in joining a Greek chapter should contact the Office of Greek Life at 573-882-8291.

# HELPFUL INFORMATION

## BUYING A NEW COMPUTER OR SOFTWARE? CONSULT THE “LET YOUR MAJOR BE YOUR GUIDE” PROGRAM.

Refer to the Let Your Major Be Your Guide (LYMBYG) booklet to choose the technology that meets your needs. You can view the list of recommended technology online through [themizzoustore.com/lymbyg](http://themizzoustore.com/lymbyg) beginning in April. Technology purchased through The Mizzou Store is compatible with on-campus technology services and software. You'll have the advantage of picking up your laptop at Summer Welcome on Day Two and will then visit Tech Stop for assistance installing Microsoft Office, Print Anywhere, and accessing your technology accounts.

If you already own a laptop, bring it with you to Summer Welcome and visit Tech Stop on Day Two for assistance installing Microsoft Office, Print Anywhere, and accessing your technology accounts.

## PARKING

If you're planning to bring a vehicle and park on campus, you must complete an online parking application. Please note there are no reserved spaces, and students living in residence halls are NOT guaranteed to be assigned to the lot or garage closest to their residence hall. Parking assignments are based on class standing and when the application is received. Graduate students are given first priority, followed by seniors, juniors, sophomores, transfer students and freshmen. Every student who submits an application for parking will be issued a virtual permit. For more information and to apply, visit [parking.missouri.edu](http://parking.missouri.edu).

## NO CAR? NO PROBLEM.

The CarShare program offers an economical, convenient and environmentally friendly transportation alternative to owning a car. Four sedans are available and conveniently located at the MU Student Center and Memorial Student Union. Membership is \$35 annually, and reservations can be made online. The hourly weekday rate for sedans is \$8 per hour. Customers 18-20 years of age are eligible to use this service but must have their own insurance. Fuel is included in your hourly rate, and mileage is free up to 200 miles, then \$0.35 a mile. Sign up for CarShare through [unions.missouri.edu](http://unions.missouri.edu) by clicking on CarShare.

*“My favorite part of Summer Welcome has been the group sessions and getting to know everybody. I’m excited to pick classes, because that’s my thing — before school starts, I always make sure my schedule is just right, just the way I like it.”*

# MIZZOU MATH PLACEMENT

**ALL MIZZOU STUDENTS** must meet the college algebra requirement to graduate. So before you start your first semester, we need to get a feel for your math skills.

The math department uses the MyMathTest Math Placement Assessment (MMT) as a tool to evaluate math ability. MMT, an online assessment that covers a variety of precalculus topics, zeros in on the strengths and weaknesses of your current mathematical knowledge. Understanding your current ability level is critical to placing you in an appropriate math course at Mizzou.

## WHERE DO I TAKE THE MMT ASSESSMENT, AND HOW MUCH DOES IT COST?

Take the assessment online at [mathplacement.missouri.edu](http://mathplacement.missouri.edu). There is no fee or registration required — simply log on to take the assessment using your MU pawprint and password. You can take MMT an unlimited number of times if you are not satisfied with your initial score.

## HOW LONG DOES THE MMT ASSESSMENT TAKE?

The untimed assessment takes approximately one to two hours, but you are required to complete it within 48 hours after beginning.

## HOW CAN I STUDY FOR THE MMT ASSESSMENT?

You don't need to put in long hours studying for the MMT assessment. It is simply a placement tool used to determine your math-knowledge base. If you aren't happy with your score after your first assessment, you

will have access to a free online study package that can be used to help you improve your MMT score and better prepare you for math at Mizzou.

## DOES EVERYONE NEED TO TAKE MMT?

Most students are required to take MMT to qualify for a math course. However, some students with prior math credit might not need to take the assessment. To find out if the MMT assessment is required for you, visit [mathplacement.missouri.edu](http://mathplacement.missouri.edu) and take a short survey.

## WHEN DO I NEED TO TAKE THE ASSESSMENT?

The MMT assessment will be available for new students beginning March 1. To be eligible for certain FIGs (and certain housing options), you must complete the MMT assessment by April 1. If you do not plan to sign up for a FIG, you should complete the MMT assessment no later than May 1 to be enrolled in an appropriate fall class schedule.

# PUMPED UP YET?

Chances are if you're interested in it, Mizzou offers a degree in it. Check out our 280-plus degree programs at [admissions.missouri.edu/majors](http://admissions.missouri.edu/majors).

# HOUSING AND DINING AT MIZZOU

## YOU PROBABLY HAVE PLENTY OF THINGS ON YOUR TO-DO LIST.

Why not leave the grocery shopping, cooking and dishwashing to us?

### LIVING IN THE RESIDENCE HALLS

After you apply to Mizzou, you will be able to complete the critical steps below. Be sure to watch for emails to your official MU email address so you can choose your housing early—some of our options are popular and fill up fast. You must complete each step before moving on to the next.

#### STEP 1: SUBMIT A HOUSING APPLICATION.

Go to [reslife.missouri.edu](http://reslife.missouri.edu) to submit your Application. You'll pay a \$25 non-refundable processing fee. Your Housing Application submission date and time corresponds with the first day you become eligible to log in to ROAR to select a room online (see below).

#### STEP 2: SUBMIT A HOUSING AND DINING CONTRACT.

The Housing and Dining Contract becomes available online beginning April 4, 2017. You'll pay a \$325 prepayment, which applies to your housing costs. This confirms you will have a space at Mizzou.

#### STEP 3: CHOOSE YOUR ROOM IN ROAR.

ROAR (Residents Online Access to Rooms) becomes available online beginning April 10, 11, 12 or 13, 2017, depending on the date and time you submitted your Housing Application. You may choose a GLC, TLC or FIG and the hall and room in which it's located starting on the first day you are eligible. ROAR remains open for room selection and changes from April 13 to late July with a brief interruption in late May.

### PROPOSED MIZZOU DINING PLANS

**Mizzou Block 275** (550 meals per academic year)

**Mizzou Block 225** (450 meals per academic year)

**Mizzou Block 175** (350 meals per academic year)

You may change your dining plan until the last day to drop a course for that semester/summer. An optional E.Z. Charge account may be chosen at any time.

### MIZZOU DINING PLANS

You can choose from three Mizzou Dining Plans. If you need additional meals during the semester, you may purchase them in blocks of 25.

#### SERVICES INCLUDE:

- Multiple dining centers, including all-you-care-to-eat, carryout and takeout services;
- Service seven days a week - breakfast through late night; hours vary by location
- Fresh salad bars and multiple delicious entrees;
- Beverages with unlimited refills and a variety of desserts;
- Entertaining special events and theme dinners — highlighted by the Culinary Discovery Series;
- Special dietary accommodations available through on-staff registered dietitians.

Locations operated by Campus Dining Services are popular gathering places where students eat before, between and after classes as well as following study-group sessions, FIG meetings and club activities.

### E.Z. CHARGE/STUDENT CHARGE

E.Z. Charge allows you to use your Mizzou TigerCard (ID card) in residential and retail dining locations across campus. Your TigerCard accesses a prepaid E.Z. Charge account, and each purchase made with your TigerCard reduces the account balance. Funds may be added at [tigercard.missouri.edu](http://tigercard.missouri.edu) or any Campus Dining Services location.

Purchases made with your Student Charge account are billed the following month to your university account. A safeguard built into the system prevents weekly charges from exceeding \$100.

You can use E.Z. Charge and Student Charge at any Campus Dining Services location, including Wheatstone Bistro in Memorial Union, Mizzou Market-Hitt Street in Pershing Commons and the six restaurants in the MU Student Center.

Visit us online at [dining.missouri.edu](http://dining.missouri.edu).
