YOU'VE GOT MOMENTUM. NOW BRING IT HOME AT MIZZOU.

As a student transferring to the University of Missouri, you're no stranger to college courses. But the Mizzou experience is about so much more than what happens in the classroom. Summer Welcome – MU's advising, registration and orientation program for students starting here in the fall – is a chance to familiarize yourself with Mizzou life.

HERE'S WHAT YOU'LL DO:

- Meet with an academic advisor to finalize your fall semester class schedule
- Register for fall classes
- Order your textbooks for fall
- Obtain your Mizzou TigerCard (student ID card)
- Academic division orientation
- Learn the academic expectations of your intended major
- On-campus housing information
- Off-campus student services
- Mizzou services fair
- Find out about IT resources and available equipment

OPTIONAL DAY TWO ACTIVITIES

- Spend the night in a campus residence hall (optional, both days)
- Participate in fun group activities and campus tours
- Fraternity and sorority life information
- Campus safety information
- Honors College orientation

TWO-DAY SUMMER WELCOME SESSIONS

These allow a bit more time to meet and mingle with your future Mizzou classmates while also fulfilling your academic needs. The session gets you involved and connected, teaches you about Mizzou traditions and treats you to Revue, a fun and informative variety sketch show written by Summer Welcome leaders.

Find the sign-up link and more info at **[FUTURETIGERS.MISSOURI.EDU/ACCOUNT](https://futuretigers.missouri.edu/account)**

GET HERE AND GET GOING

After you've submitted the New Student Form, you'll receive a confirmation email.

During Summer Welcome you will meet with an academic advisor to complete your fall schedule. Be sure to bring a complete record of your college-level work to Summer Welcome in case your final transcripts have not been evaluated or have not yet arrived.

Transfer work must be officially evaluated to determine its applicability toward a Mizzou degree. As early as possible, request that all official transcripts verifying your college credit, AP/IB scores and CLEP test scores be sent to the Office of Admissions, 230 Jesse Hall, Columbia, MO 65211.

ACCOMMODATIONS

Overnight accommodations are available in a residence hall for \$25 per night. You may request a roommate attending the same session by completing the appropriate box on the online reservation form.

GUESTS

Every guest age 18 and older must pay a \$19 guest fee. This fee includes breakfast when you arrive and lunch. Guests may also stay in a residence hall for approximately \$30 per night, depending on the length of your stay.

CANCELLATION

Requests for cancellation must be received at least three business days before the check-in time of your session to qualify for a refund. Your \$300 enrollment fee is refundable by cancelling your admission before May 1.

PLACEMENT EXAMS

These free online placement exams help match students with the course levels and programs they're most likely to succeed in, so don't stress. The process only takes a short time and is intended to benefit you as a student.

NEWSTUDENT.MISSOURI.EDU/PLACEMENT

MATH PLACEMENT TEST

All Mizzou students must meet minimum freshman math requirements to graduate. But first, we need to get a feel for your math skills. The MyMathTest (MMT) assessment takes one to two hours online and you are required to complete it within 48 hours once you've begun. You'll also have access to a free online study guide to help improve your test scores and prepare you for math at Mizzou. All students should take the MMT assessment unless you have college credit with a grade of C- or better for College Algebra.

FOREIGN LANGUAGE PLACEMENT TESTS

All students interested in foreign language courses are encouraged to take the online placement exam now to help enroll in the appropriate course level during registration at Summer Welcome. Online exams are available in French, Spanish and German. Foreign language courses are a graduation requirement for specific degrees in international business, journalism and many within the College of Arts and Science.

TRANSFER STUDENT CHECKLIST

Go ahead, tear off this list. We want you to. Hang it on your refrigerator, mirror or wherever else it will help you stay up to date.
