WELCOME TO MIZZOU.

This guide is designed to prepare you for Summer Welcome. Share it with your family or other guests so they can be informed, too.

BEFORE YOU ARRIVE:

☐ Consider your strengths, interests and goals.

☐ Complete the course schedule planning worksheet on Page 5.

☐ Write down questions for your adviser.

☐ Review your partial schedule in myZou after June 1.

☐ Take placement tests. For more info, visit newstudent.missouri.edu/placement.

☐ Memorize your login info. Your student number is eight digits long. Your username begins with your initials, followed by three characters.

☐ Send an official transcript for college credit, copies of Advanced Placement, International Baccalaureate and CLEP test results to the MU Office of Admissions, 230 Jesse Hall, Columbia, MO 65211.

☐ Open and read your official email messages and important Summer Welcome information.

WHAT TO BRING:

☐ Bring your completed schedule planning worksheet and any questions for your adviser.

☐ Bring copies of transcripts for completed college courses and evidence of college credit received by examination.

☐ Bring an official photo ID to get your Mizzou TigerCard (ID card). Current driver’s licenses and passports are accepted. High school ID cards are not.

☐ Bring your laptop, tablet and mobile devices. We will help you set them up on day two.

☐ Wear comfortable, weather-appropriate clothing and footwear for walking around campus.

☐ If you are staying overnight during your visit, be sure to bring any personal items required.
YOUR ACADEMIC ADVISER

Academic advisers are faculty and staff assigned to help you make the most of your time at Mizzou. They serve as your guide, interpreter and mentor. Your relationship with them will be collaborative and they will encourage you to share responsibility for your educational success.

BEFORE SUMMER WELCOME

Our expert academic advisers place you in a preliminary set of courses for the fall semester based on:

• Your intended major;
• ACT/SAT subscore in English;
• MyMathTest (MMT) score;
• High school transcripts;
• College credit you have already earned;
• Course availability;
• Course preferences you provided on your New Student Form.

AT SUMMER WELCOME

Your top priority at Summer Welcome will be to finish registering for fall classes. During a meeting with your academic adviser, you can discuss any questions or concerns you have about your schedule.

AFTER SUMMER WELCOME

Your adviser’s responsibilities include being familiar with courses, procedures and graduation requirements. They can help you with educational decisions and career planning. Reach out to them whenever you have questions. They can help. And be sure to check in with them prior to registering each semester.

MYZOU.MISSOURI.EDU

Your personal portal to all things Mizzou, myZou allows you to handle various services online, including registering for classes, paying bills and accepting financial aid.

WHAT TO DO IN MYZOU

Grant e-Consent (Main Menu ► UM E-Consent)
You must grant e-consent to register for classes, accept financial aid, view or pay your bill, view housing, and view your class schedule.

Receive emergency info (Main Menu ► Emergency Mass Notification)
Update your contacts to receive information in the case of a campus emergency.

Access Student Center (Main Menu ► Self Service ► Student Center)
Here’s what you can access in your myZou Student Center:

• Academics: See your partial schedule after June 1. Contact your academic adviser with questions.
• Finances: View account information or charges due. Contact the Cashier’s Office with questions at 573-882-3097. You can also see financial aid information such as loans, grants and scholarships. Contact Student Financial Aid with questions at 573-882-7506.
• Personal Information: Change address, grant others access*, identify an emergency contact, and change your preferred name. Contact the University Registrar with questions at 573-882-7881.

*FERPA and Additional Authorized Access (AAA) Permissions
According to the terms of the Family Educational Rights and Privacy Act (FERPA) of 1974, Mizzou may release student information only to people whom students specify through written permission. Information you may grant others access to includes class schedule, GPA and billing details. FERPA Permission covers verbal release of information. AAA Permission covers online access to information.

ATTENTION PARENTS AND GUARDIANS:
Discuss FERPA Permissions, AAA Permissions and your need to know this information with your student now. In order to be able to view or pay your student’s bill, AAA Permission for Student Account Information must be granted in myZou. See registrar.missouri.edu/release.

* This is not a major but a recommended initial course of study for students interested in law or medical school.
WORKSHEET TO-DO LIST

☐ Review your partial schedule in myZou after June 1.

☐ Search for available courses in myZou.

☐ Choose a few to take this fall, then write your selections in the spaces on this worksheet.

☐ Bring this sheet to your advising appointment on Day Two of Summer Welcome.

BEHAVIORAL AND SOCIAL SCIENCES

1.

2.

3.

HUMANITIES

1.

2.

3.

BIOLOGICAL, PHYSICAL AND MATHEMATICAL SCIENCES

1.

2.

3.

ADDITIONAL COURSES YOU MIGHT WISH TO TAKE

1.

2.

3.

FULL COURSE INFORMATION IS AVAILABLE AT CATALOG.MISSOURI.EDU.

AVAILABILITY OF COURSES

Course availability varies from semester to semester. When meeting with your adviser, keep an open mind about alternate options to complete your first full semester schedule (between 12 and 16 credit hours).

Collaboration between students and advisers is essential to student success. If you have questions about course placement, Summer Welcome is the best time to ask your academic adviser.

You’ll also want to discuss elective courses with your adviser because credits vary in schools or colleges. In addition, the College of Arts and Science and the School of Journalism have foreign language requirements. Students with certain majors might have been already placed in an appropriate level of a foreign language. Others might wish to add a foreign language.

FIGS AND YOUR SCHEDULE

If you have requested to participate in a Freshman Interest Group (FIG) you are assigned three courses designated for that FIG along with Interdisciplinary studies 1001: FIGs Proseminar, a course taught by a peer advisor and faculty member or staff person. You must remain enrolled in at least one of the FIG courses and the Proseminar in order to participate in the FIG. If you have college credit for one or more FIG courses or anticipate conflicts for other reasons, talk to your adviser about your options.
YOUR BEST START

PLACEMENT EXAMS
MATH PLACEMENT (REQUIRED)
MU uses the MyMathTest (MMT) assessment to place you in a math course appropriate to your skill level. MMT may be taken multiple times for free and you may access a targeted learning module to help you improve your score. newstudent.missouri.edu/placement

FOREIGN LANGUAGE PLACEMENT (OPTIONAL)
If you are interested in foreign language courses, you are encouraged to take the online placement exam prior to Summer Welcome. Online exams are available in French, Spanish and German. Students of any major can choose to take a foreign language. Foreign language courses are a graduation requirement for specific degrees in international business, journalism and many within the College of Arts and Science. newstudent.missouri.edu/placement

PROCTORED MATH PLACEMENT (OPTIONAL)
You may take a proctored version of the ALEKS math placement exam in order to receive course credit for College Algebra. mathplacement.missouri.edu/proctored.html

FUNDAMENTAL COURSES
Your adviser is your best resource for determining which courses you should take. The courses you take now will help prepare you for the rest of college while providing a crucial foundation for your field of study. That’s why we encourage students to satisfy basic English and math requirements during freshman year.

MATH
Fluency in mathematics is a critical part of your college education. Your MMT score (see Math Placement) tells your adviser which math course will get you off to a good start. There are a variety of courses that can satisfy the requirements.

ENGLISH
Written communication is fundamental to student success, and we encourage all first-year students to take our freshman English course, Exposition and Argumentation. This course stresses writing as a process and gives due attention to critical reading and thinking skills applicable to all college classes.

UNDECIDED AND EXPLORING
If you are undecided about your major, that’s completely fine! So are many of your peers. All schools and colleges have an Undeclared option. If most of your interests fall within a particular school or college, you should select that as your major. Be sure to talk to your adviser about your options.

The rich diversity of course offerings at Mizzou allows you to explore new topics and discover new interests. Your adviser will help you select courses that can apply to a variety of degree programs.

PRE-REQUISITES
The university will verify that you have met the required prerequisites for any course in which you are enrolled. You are responsible for providing an official transcript showing the course and grade, and you might be dropped from your course if you do not satisfy those requirements.

LEARN MORE ABOUT MIZZOU’S WELL-ROUNDED EDUCATION AT: GENERALEDUCATION.MISSOURI.EDU
SAVE ON BOOKS & TECHNOLOGY

The Mizzou Store supports the university’s affordable and Open Educational Resource initiative by offering more used and rental books than any other college store in the nation. The Mizzou Store’s innovative digital content programs help reduce your educational expenses. Shop and compare prices with online retailers at themizzoustore.com.

Need a new computer? Here’s how to get the best deal:

1. Before you buy, check out Let Your Major Be Your Guide to find out what technology your department requires. (Technology ► Computers & Tablets ► Shop by Major)
2. Shop TigerTech at The Mizzou Store for exclusive educational pricing.
3. TigerTech Student Purchase Plan: Buy at Summer Welcome and spread payments across two years interest free.

WHAT HAPPENS NEXT?

LATE JUNE In late June, you will receive your fall 2018 term bill from the Cashiers Office. Payment is due on or before Aug. 15, 2018.

MOVE-IN DAY The official fall move-in day is Wednesday, Aug. 15, 2018.

FALL WELCOME To help students become part of Mizzou, a week of events are scheduled as part of Fall Welcome. Some of the events include a campus BBQ and the freshman traditions of whitewashing the Rock “M” in Memorial Stadium and Tiger Walk through the Columns.

FAMILY WEEKEND Families are encouraged to attend this exciting weekend on Sept. 21–23, 2018, with their students, catch a Mizzou football game and participate in other events and activities. parents.missouri.edu
